**YEAR 5
PROJECT HOMEWORK**

For the first half of the Autumn term, year 5 will be studying Myths and legends in our topic. We will be focusing on Ancient Greece. Children will be expected to complete a set homework and bring the homework in on the due dates. The homework will link to the work we will be doing in school. At the end of the topic we will celebrate our achievement at our exit point assembly. The homework tasks will range from researching and planning, to designing and creating. If you have any queries, please do not hesitate to ask one of us.
